Letters to friends are personal and are usually addressed to specific individuals. Since the recipient is a person with whom you have a close relationship, the salutation is more personal and less formal. Greet the recipient warmly and proceed to stating the reason for your letter. Share some information about yourself.

Thank You. Dear Best, Thank you for entering my life. I strongly believe in having "a person," and there is no better person to fit that description than you. For the last two years of my life, I have been through so many different stages, like graduating, falling out with friends, a new school, and through all of the good and bad times, you have been with me.
