Courage is not the absence of fear. Courageous people do feel fear, but they are able to manage and overcome their fear so that it does not stop them taking action. They often use the fear to ensure that they are not overly confident and that they take the appropriate actions.

Courage, Being Brave | Skills You Need

Courageous people understand the importance of trust, honesty, and full disclosure while confronting people who hide behind untruths. They believe that people are willing to make tough decisions if the options are presented to them in an open, honest, and objective manner. They also believe that people should admit their mistakes, learn from them, and move on rather than waste precious time playing politics. Strength in Adversity.
