Almost Broken was even more than I expected. I loved how in detail it went about D.I.D. That's not really a common disorder, so to put it out there for readers and make a hell of an amazing story line with it takes talent! Cal..Chris.. Poor Lauren! My heart just breaks for her, I swear. I want to just rip her out the book.

~It is HIGHLY recommended to thoroughly enjoy this story that you do NOT read spoilers or reviews. It is BEST to go on blind.~ Fresh off of a broken heart I met Cal Scott. He was just what I lacked, a beautiful distraction. At six-foot-two, with ebony hair, storm gray eyes, and a smile that could only hide an agenda, I knew he was trouble. And for the first time in my life, a little trouble was just what I needed.

No. What I wanted. It wasn't like I'd ever marry the guy. Until I did. What I thought would be my happily ever after, was only the beginning. Cal has a secret. One that makes loving him come with a price, and being his wife cost more than I bargained for.

This bundle includes the prequel to IF I Break Before Him, If I Break, Before I Break and Almost Broken. "Think of the worst breakup you ever had. If it didn't end with your boyfriend asking you for a threesome the day after taking your virginity, I've got you beat. All I've ever wanted was to experience a love like my parents had. They told me all those stories about love when I was a little girl, and how it's the key to living happily ever after. Well, I started to think those were all lies. Love is a trick, and it doesn't exist. Who needs romance when it only ends with you crying your eyes out? So I went on strike two years straight: no love, no men... and it was going well! But then this guy Steven smiled at me and then his best friend Michael kissed me and, well, this story is so complicated there has to be a good ending to it. Right? Or maybe my Fairy Godmother's a major bi-tch."

2 very different brothers. 2 very different parents. 2 very different success stories. In *Breaking Out of a Broken System*, Seth and Chandler Bolt embark on a week-long journey of reflection as they outline the success strategies their parents taught them and the ways those strategies have impacted their lives - in very surprising and different ways. What the Bolt brothers' parents taught them was a way to break out of the broken system that encourages young people to sign up for a mountain of student loan debt, graduate, get a job that barely covers their bills, and trudge up the ladder one wearisome rung at a time. Seth and Chandler decided to share this knowledge. Dedicating their 2012 Christmas break to writing the book, each brother wrote about the 15 principles handed down by their parents and how those strategies shaped his successes and goals. Each brother discusses moments of great triumph and those of failure. The triumphs celebrate the lessons and give the reader two good examples of how having the right plan still requires hard work and dedication. The failures provide comic relief and are often parlayed into teaching points that are honest and effective. *Breaking Out of a Broken System* lays out the roadmap that allowed - and continues to allow - the Bolt brothers to achieve so much success. *Breaking Out of a Broken System* provides practical application of the 15 strategies, and gives readers an entertaining glimpse into how they can be applied across interests and disciplines. It challenges readers to do things differently - to define their own dreams, buck the system, achieve their goals, and live free of debt. The result is a refreshing, funny, and entirely unique treatise that in-spires, informs, and empowers people to chase their dreams and avoid the systemic traps that derail most people from their true purpose.
