### RIBA Competitions

The AIA DC Urban Design Committee has launched a new competition titled "Politics, Protest, and Place". On June 5th when Mayor Bowser painted "Black Lives Matter" on 16th Street NW in front of the White House and as a temporary fence transformed into a makeshift billboard, it became abundantly clear that the appearance and design of public space can itself be an act of protest and speech.

### Architecture Competitions

The competition is open to students and graduates of all art, design, architecture and media disciplines of universities and colleges worldwide. According to the UN's SDG Programme data, since 2007, more than half the world's population has been living in cities, and that share is projected to rise to 60% by 2030.
