chapter 1 The demand for economic statistics The media publish economic data on a daily
basis. But who decides which statistics are useful and which are not? Why is housework not
included in the national income, and why are financial data available in real time, while to know
the number of people in employment analysts have to wait for weeks?

1 CHAPTER THREE 3. 1 Demand for Labor The labor market analysis becomes complete when the agents that constitute demand side are dealt well. The agents are firms who make decisions of hiring and firing of workers. In order to satisfy the consumers demand for goods and services, firms engage in the production process of those goods and services.

~~Chapter 2 Demand and Supply | Assignment Freelancers~~

A shift in either demand or supply, or in both, leads to a change in equilibrium price and equilibrium quantity. We begin this chapter by examining markets in which prices adjust quickly to changes in demand or supply: the market for personal computers, the markets for crude oil and gasoline, and the stock market.
