God is totally faithful. That's right at the core of his character - unlike us, he cannot ever break his word. Knowing that we are firmly held in the grip of God's unending faithfulness is deeply reassuring. And it encourages us to be faithful too. Remembering his grace and goodness, we grow in holiness and Christlikeness. Our aim is to be faithful in the big things, but also in the nitty-gritty of life when nobody is watching. With these Bible teachers alongside us: * Alistair Begg (Psalm 119:97-104) * Michael Baughen (2 Timothy 4:1-22 & Hebrews 3:1 - 5:6) * Tim Chester (Genesis 15:1-21 & Revelation 2:18-29) * Malcolm Duncan (1 Thessalonians 2:1-12) * Sinclair Ferguson (2 Timothy 4:9-10) * Jonathan Lamb (Acts 20:17-38) * Peter Maiden (1 Samuel 13:5-14) * Alec Motyer (1 Thessalonians 5:1-28) * Tom Putt (Hebrews 6:11-20) we explore God's faithfulness and our response. This undated 30-day devotional shows how God

is faithful to cleanse us from sin, keep us until death and guarantee our eternal destiny. What greater reassurance can we ask for?

Give students beginning definitions or working explanations that serve as the basis for helping them become involved in genuine theological dialogue, discussion, and discovery. The perfect supplement or companion for many different introductory theology and religious studies courses.

Encouragement. Perseverance. Stickability. How we need these in our daily lives if we are to grow as Christians and not become jaded and discouraged. So much for the theory, but how can this work out in practice? And when we feel like just giving up? With insightful teaching and application from Michael Baughen, David and Ian Coffey, Jonathan Lamb, Nigel Lee, Ivor Poobalan, Andy Prime, Matt Sleeman, Rico Tice and others, this short volume digs into the Bible, offering timeless wisdom from the Psalms, Ephesians, 1 Thessalonians, 2 Timothy, Hebrews, James, 1 Peter and Revelation. It draws from the inspirational life of pioneer missionary Amy Carmichael. It equips us for those times when we just need to keep on keeping on. Tailored for real people in the real world today.

A comprehensive theological framework for assessing the significance of eating, demonstrating that eating is of profound economic, moral and theological significance.

anniversary. It is the people of Catholic health care, those engaged in patient and resident care, those charged with administration and governance, who so visibly embody the healing ministry of Jesus and carry the ministry into the future. Sister Casey's book celebrates the people of Catholic health care, grounding reflections in both scripture and the day-to-day challenges of this vital ministry of the Church.

Jesus' "table fellowship" with sinners in the Gospels has been widely agreed to be historically reliable, but scholarly disputes continue. In this New Studies in Biblical Theology volume, Craig L. Blomberg engages with the debate, surveying the relevant biblical texts and their background, concluding with contemporary applications.

Seeking an antidote to widespread anxiety over food ethics, cultural obesity and more, Rachel Stone calls us to reclaim the joy of eating with gratitude. As we learn to see our daily bread as a gift from above, we find our highest religious and cultural ideals (from the sacramental life to
