He kidnapped me. He was charming, powerful, intoxicating. Accepting his advances might be the last mistake I'd ever make. He was a dangerous man, and the fact that he made me feel alive couldn't hide that I danced with death. I made my choice, and he made his. Now I'm trapped in his basement, completely at his mercy. Day after day he toys with me for his own amusement. Pleasure and pain, pain and pleasure. The two are so linked now that I can barely tell them apart and I'm beginning to crave both. Worse, I'm beginning to crave him. Author's note: This is the fourth book in the Vittorio Crime Family series, but it is a full-length, standalone romance and can be enjoyed without reading the other books!

I'm in so deep that I can't see the way out.The boss of the Rizzo family needs me. I need to get closer to Carmine Lucchesi, a captain in his family. I need to steal information from him. He's a sweet man, but underneath there's something damaged, something deranged.The boss wants me to leave Vincent, the man I love. End the engagement. I'm with Carmine until he says so. Until I get what he needs.Or he'll kill Vincent. He'll kill my mother, and Vincent's mother, and everyone I've ever cared about.I don't have a choice. I need to end it with him, even though I love him. Even though it just might kill me.

The Cop and the Stalker is a true story of what happened when a highly decorated New York City cop and a career criminal are put on a collision course with the help of US Customs and an overzealous federal prosecutor. It is also a story of raw courage and the friendship of two youths growing up in Yonkers, New York. Vinny Davis worked as a plainclothes cop in the highest crime neighborhoods of the Bronx in the eighties and nineties. He would stop at nothing to put the bad guys behind bars. Richie Sabol was a malevolent psychopath career criminal who preyed on the weak. His first trip to state prison was for armed robbery, but when he was paroled, he was more violent than before. He had moved on to beating people with baseball bats and shooting a drug dealer in the head while robbing him. His crime spree ranged up and down the East Coast until he sold two kilos of coke and got sentenced to twenty years in federal prison. Two years later, he's back on the streets of New York. He's now working for the feds with the promise he can deliver the Lucchese crime family on a silver platter. And the justice department will do and say anything to ensure that he keeps his word at any cost.

"It is first and foremost an eyewitness account of an everyman and a true humanist. He was there during the Operation 'Cast Lead' and so his daily dispatches came directly from the killing fields of Gaza, and are therefore free of any media distortion or manipulation."—Ilan Pappé, professor of history, University of Exeter An authoritative and deeply moving eyewitness account of the terrible twenty-two-day Israeli offensive against the Gaza Strip in December 2008 and January 2009. These daily dispatches were written in precarious conditions, between bombing raids and intermittent Internet access. Vittorio Arrigoni ends his dispatches with the plea "stay human," which became the motto of the peace protests in his native Italy. This English translation is updated with new entries reflecting on life in Gaza after the offensive and also features an introduction by famous Israeli historian Ilan Pappé. Vittorio Arrigoni was an internationally renowned human rights activist who served as a volunteer with the pacifist International Solidarity Movement and worked closely with fishermen and farmers in Gaza. During the Israeli offensive against the Gaza Strip in 2008-9, Arrigoni acted as a human shield while working with the Palestinian Red Crescent ambulances. Working as a freelance journalist for the Italian daily Il Manifesto, Arrigoni's daily dispatches, written between bombing raids and patchy internet access, ended with the plea, "stay human," which became the motto of the anti-Israeli peace protests in his native Italy. His authoritative and deeply moving eyewitness account was later published in 2010 in Italian, French, German, and English, which the historian Ilan Pappé described as the "account of an everyman and a true humanist." On April 14, 2011, Arrigoni was kidnapped and brutally murdered by militants in Gaza, which caused an international outcry and was unanimously condemned by Hamas and the Palestinian National Authority.

EmilyI had no idea the wickedness that lay beneath his angelic features and pleasurable touch.I wanted one night out to be wild and crazy; to be like all the other young women my age. I'd been living such a sheltered life that when a new group of friends took me to a nightclub for some drinks and dancing - nothing overly rebellious, considering - I jumped at the chance.And you can imagine my surprise when the sexiest man at the club, heck, the sexiest man I'd ever set eyes upon wanted to spend some alone time getting to know the plain Jane daughter of a pastor! I jumped at the chance. Most of the other young women regularly left with men they'd just met and nothing bad ever happened, so what were the chances it would turn out badly for me?I had no idea...TanmerI had no idea she'd challenge everything I believed about myself and make me feel.My job is simple - train them and break their spirits without shattering their minds, which isn't the easiest task, I assure you. But I'm the best at what I do.But now The Organization I previously worked for is gone and I'm a freelancer - of sorts. And I couldn't be happier. I used to have to abide by their rules, follow their protocol, but not anymore. The lives and minds of the other women are mine to do with as I please.Unfortunately for Emily Fennel, the daughter of a small-town pastor, she'd caught my attention. She was so pure and virtuous, she's the light in contrast to my darkness and she's going to be my greatest accomplishment.People thought I was a monster before...

He was one of the most decorated cops in the history of NYPD. From his "wiseguy" relatives, he learned the meaning of honor and loyalty. From his fellow cops, he learned the meaning of betrayal. MAFIA COP His father, Ralph "Fat the Gangster" Eppolito, was stone-cold Mafia hit-man. Lou Eppolito, however, chose to live by different code; he chose the uniform of NYPD. And he was one of the best -- a good, tough, honest cop down the line. Butu even his sterling record, his headline-making heroism, couldn't protect him when the police brass decided to take him down. Although completely exonerated of charges that he had passed secrets to the mob, Lou didn't stand a chance. They had taken something from him they couldn't give back: his dignity and his pride. Now, here's the powerful story, told in Lou Eppolito's own words, of the bloody Mafia hit that claimed his uncle and cousin...of his middle-of-the-night meeting with "Boss of Bosses" Paul Castellano...of one good cop who survived eight shootouts and saved hundreds of victims, who was persecuted, prosecuted, and ultimately betrayed by his own department. Full of hard drama and gritty truth, Mafia Cop gives a vivid, inside look at life in the Family, on the force, and on the mean streets of New York.
