Virtual Icebreakers and Energizers for Your Remote Team ...

Icebreakers and energizers for meetings are an important part of any company that needs individual cooperation through a group of people who can belt out ideas and suggestions that will work in the favor of the company. Productivity in any company depends on the output that employees are able to produce, based on how comfortable they are within their working environment and if they are encouraged in the right way to procure good and lasting results.

Icebreakers and Energizers for Meetings That Actually Work ...

Often an icebreaker, a team building activity and an energizer overlap. For example, during an activity in which participants are asked to line up in alphabetical order by first name, participants will learn each other's names (typical of an icebreaker), they'll work together as a team to form the line (teambuilding), and become invigorated by being able to get up and move around the room (an energizer).

Icebreakers, Team Building Activities, and Energizers

Often an icebreaker, a team building activity and an energizer will overlap. As a result these activities are often grouped together according to how they might be used. Team building activities are designed to help groups form bonds and become a team. Once the teams have learnt names and maybe some personal backgrounds the focus is now on making the group become more cohesive.

Games with Purpose mixes energizing, entertaining games with learning points to create an invaluable resource that will provide a fun introduction to hundreds of staple topics. There is something to suit every situation, from games needing little or no preparation or equipment, to big, memorable games that will stay with the group for a long time. The collection consists of mainly original game ideas, meeting the regular requirement for stimulating new games and icebreakers. Unlike other resources that simply seek to provide entertainment, Games with Purpose is categorised around popular topics providing youth workers with inspiration and ideas to help them to include games as a core component of their sessions, rather than just an add-on to dissipate surplus energy. Using themes from discussion starter resources The Ideas Factory and The Think Tank, this collection provides youth leaders with a complete solution - the book stands alone but by pairing these games with the discussion starters, youth leaders will have all they need to build a complete session.
