Looking Closer is a collection of the best contemporary writing about graphic design, including theoretical, practical, business-oriented, philosophical, and humorous essays. Selected by a prestigious editorial committee composed of Michael Bierut, William Drenttel, Steven Heller, and DK Holland, the essays reflect on inspiration, ethics, "isms," the impact of new technology, and the role of design in the larger culture.

to make judgments (using various criteria), about a book, a chapter, or a journal article.

Writing A Critical Review | Essay Example

Critical thinking in writing is related to research in the way you deliberately search, analyze and evaluate ideas that you'll put on paper. However, critical thinking discriminates information and ideas to ensure you pick and use only the most appropriate, concise words and paragraphs that deliver messages powerfully and with great impact on readers.
