Through humor, whimsical story-telling and spiritual insight Joseph Fehlen shares his journey of

becoming a motorcyclist at the age of 34. A man with a family, career, and perfectly normal life gets permission from his mom and wife, trades in his car for a motorcycle and begins an adventure that teaches him lessons about life, faith and what really matters most. Ride On is filled with a whole cast of endearing characters complemented by the intricacies of the motorcycle culture. In a garage logic sort of way, Joseph interweaves the lessons he learned with those Jesus modeled, creating a tapestry of learning opportunities for the reader. With uncanny clarity these real life situations will assist even those who have never ridden a motorcycle, or even plan to experience one of life's greatest joys. Come and join him as you ride on!
