My Life as a Fake: Carey, Peter: 9781400030880: Amazon.com ...

My Life as a Fake is a 2003 novel by Australian writer Peter Carey based on the Ern Malley hoax of 1943, in which two poets created a fictitious poet, Ern Malley, and submitted poems in his name to the literary magazine Angry Penguins.. The novel was inspired by the idea of "a 24-year-old hoax brought to life – original, angry, multilingual, learned. He was interested in what the being would ...

<b>My Life as a Fake - Wikipedia</b>
<b>Fiendishly devious and addictively readable, Peter Carey ' s My Life as a Fake is a moral labyrinth constructed around the uneasy relationship between literature and lying. In steamy, fetid Kuala Lumpur in 1972, Sarah Wode-Douglass, the editor of a London poetry journal, meets a mysterious Australian named Christopher Chubb.</b>

My Life as a Fake by Peter Carey: 9781400030880 ...

- Peter Carey, My Life as a Fake I love Peter Carey. If every artist is indeed a thief, Carey is a literary larcenist. I've read three of his novels this year and all were fantastic and all seemed to be written by an inspired ventriloquist who juggles voice-to-voice, scene-to-scene, on a tightrope of his own fancy.

<b>My Life as a Fake by Peter Carey - Goodreads</b>
<b>*My Life as a Fake* is, in the main, the story of unsuccessful poet Christopher Chubb, an Australian whose life is forever marred by a literary hoax he perpetrated in his youth.</b>

Review: My Life as a Fake by Peter Carey | Books | The ...

It ' s nice to think you ' re living your most authentic life, but that ' s not always true. So many people live a fake life and miss out of the fullness of existence. An authentic life is the opposite of fake life, of course. When you live authentically, you live to your fullest potential, and you present yourself as you truly are.

6 Signs of a Fake Life You Could Be Living without Even ...

While most of the action in My Life as a Fake takes place in Malaysia, the cast of characters is drawn from England, Malaysia, Australia, authors and poets from other lands and the minds of the characters in this book. Carey takes liberties with, according to the Author's Notes, a real literary hoax from the mid 1940's.

Never Mess With a Poet - The New York Times

My Life as a Fake is his brilliantly fictionalized spin on the greatest literary hoax in Australia's colorful history. In the 1950s poet Christopher Chubb composes a body of sexually charged poems. Chubb then dupes a trendy literary magazine into believing the poems were composed by the late Bob McCorkle, an undiscovered genius.

<b>My Life as a Fake by Peter Carey   Audiobook   Audible.com</b>
<b>The better part of "My Life as a Fake" is narrated by Chubb to Sarah Wode-Douglass. Within Chubb's narrative, moreover, are remembered conversations, sometimes lengthy stories, which Chubb now recounts. But while much of the book might justly have been encased in quotation marks, there is not a single such punctuation mark to be found in the text.</b>
<b>My Life as a Fake</b>

My Life as a Fake: Carey, Peter, Gregory, Emma, White ...

My Life as a Fake, 2003 The plot of the novel is centered on a series of actions set in motion in the mid 20th century by a frustrated poet named Christopher Chubb, who perpetrates a literary hoax in Australia by creating poetry authored by a fictitious, working class Australian poet named Bob McCorkle.

<b>Visual Essay: My Life as a Fake</b>
<b>Fiendishly devious and addictively readable, Peter Carey ' s My Life as a Fake is a moral labyrinth constructed around the uneasy relationship between literature and lying. <b>My Life as a Fake</b>

Melbourne, the late 1940s. A young conservative Australian poet named Christopher Chubb decides to teach his country a lesson about pretension and authenticity. Choosing as his target the most avant-garde of the literary magazines, he submits for publication the entire oeuvre of one Bob McCorkle, a working-class poet of raw power and sexual frankness, conveniently dead at twenty-four and entirely the product of Chubb's imagination. Not only does the magazine fall for the hoax, but the local authorities also sue its editor for publishing obscenity. At the trial someone uncannily resembling the faked photograph of the invented McCorkle, leaps to his feet. At this moment a horrified Chubb is confronted by the malevolent being he has himself manufactured...

Following the triumph of his Booker Prize–winning True History of the Kelly Gang, Peter Carey ventures into the Far East with a novel shot through with mysteries at once historical, literary, and personal. Sarah Wode-Douglass, the editor of a London poetry magazine, had grown up knowing the famous and infamous John Slater. And because he figured prominently in the disaster that was her parents ' marriage, when Slater proposes that she accompany him to Malaysia, Sarah embarks out of curiosity on a journey that becomes, instead, a lifelong obsession. Her discoveries spiral outward from Christopher Chubb, a destitute Australian she meets by chance in the steamy, fetid city of Kuala Lumpur. He is mad, Slater warns her, explaining the ruinous hoax Chubb had committed decades earlier. But lurking behind the man ' s peculiarity and arrogance, Sarah senses, is artistic genius, in the form of a manuscript he teases her with and which she soon would do anything to acquire. The provenance of this work, she gradually learns, is marked by kidnapping, exile, and death — a relentless saga that reaches from Melbourne to Bali, Sumatra, and Java, and that more than once compels her back to Malaysia without ever disclosing all of its secrets, only the power of the imagination and the price it can exact from those who would wield it. Astonishing, mesmerizing, and ultimately shocking, My Life as a Fake is the most audacious novel yet in Peter Carey ' s extraordinary career.

Fiendishly devious and addictively readable, Peter Carey ' s My Life as a Fake is a moral labyrinth constructed around the uneasy relationship between literature and lying. In steamy, fetid Kuala Lumpur in 1972, Sarah Wode-Douglass, the editor of a London poetry journal, meets a mysterious Australian named Christopher Chubb. Chubb is a despised literary hoaxer, carting around a manuscript likely filled with deceit. But in this dubious manuscript Sarah recognizes a work of real genius. But whose genius? As Sarah tries to secure the manuscript, Chubb draws her into a fantastic story of imposture, murder, kidnapping, and exile—a story that couldn' t be true unless its teller were mad. My Life as a Fake is Carey at his most audacious and entertaining.

An autobiographical story of a journalist's burning desire to find the truth in politics - and the incredible journey and international outrage that happened when he asked his questions.

For thirty-nine years Harry Joy has been the quintessential good guy. But one morning Harry has a heart attack on his suburban front lawn, and, for the space of nine minutes, he becomes a dead guy. And although he is resuscitated, he will never be the same. For, as Peter Carey makes abundantly clear in this darkly funny novel, death is sometimes a necessary prelude to real life. Part The Wizard of Oz, part Dante's Inferno, and part Australian Book of the Dead, Bliss is a triumph of uninhibited storytelling from a writer of extravagan gifts.

A NATIONAL BESTSELLER \* A NEW YORK TIMES BOOK REVIEW EDITORS ' CHOICE \* A WASHINGTON POST BEST BOOK OF THE YEAR "An invigorating work, deadly precise in its skewering of people, places and things . . . Stylish, despairing and very funny, Fake Accounts . . . adroitly maps the dwindling gap between the individual and the world." —Katie Kitamura, The New York Times Book Review A woman in a tailspin discovers that her boyfriend is an anonymous online conspiracy theorist in this " absolutely brilliant take on the bizarre and despicable ways the internet has warped our perception of reality " (Elle, One of the Most Anticipated Books of the Year). On the eve of Donald Trump's inauguration, a young woman snoops through her boyfriend's phone and makes a startling discovery: he's an anonymous internet conspiracy theorist, and a popular one at that. Already fluent in internet fakery, irony, and outrage, she's not exactly shocked by the revelation. Actually, she's relieved--he was always a little distant--and she plots to end their floundering relationship while on a trip to the Women's March in DC. But this is only the first in a series of bizarre twists that expose a world whose truths are shaped by online lies. Suddenly left with no reason to stay in New York and increasingly alienated from her friends and colleagues, our unnamed narrator flees to Berlin, embarking on her own cycles of manipulation in the deceptive spaces of her daily life, from dating apps to expat meetups, open-plan offices to bureaucratic waiting rooms. She begins to think she can't trust anyone--shouldn't the feeling be mutual? Narrated with seductive confidence and subversive wit, Fake Accounts challenges the way current conversations about the self and community, delusions and gaslighting, and fiction and reality play out in the internet age.

Fake is the fascinating story of one of the four 'rogue traders' whose foreign exchange trading cost the National Australia Bank \$360 million. The resulting scandal was swiftly followed by the resignation of the CEO and Chairman. Later, unprecedented boardroom brawling erupted as directors sought to shift the blame and seek scapegoats. Against the backdrop of this multimillion-dollar trading frenzy, David Bullen takes the reader into his trading world, where players worked hard and partied harder, treating the staff at other desks with contempt and the trades as little more than a game. But David is a complex character, and this story is also the story of his personal journey from a self-confessed hedonist enjoying the lavish perks of corporate life to his involvement in the drug-enhanced dance party scene and finally his search for enlightenment. As his attitude shifts from one of unabashed arrogance to tolerance and detachment, so he realises that he was only 'a faker making fake trades'.

Ferocious and funny, penetrating and exuberant, Theft is two-time Booker Prize-winner Peter Carey ' s master class on the things people will do for art, for love . . . and for money. " I don ' t know if my story is grand enough to be a tragedy, although a lot of shitty stuff did happen. It is certainly a love story but that did not begin until midway through the shitty stuff, by which time I had not only lost my eight-year-old son, but also my house and studio in Sydney where I had once been famous as a painter could expect in his own backyard. . ." So begins Peter Carey ' s highly charged and lewdly funny new novel. Told by the twin voices of the artist, Butcher Bones, and his " damaged two-hundred-and-twenty-pound brother " Hugh, it recounts their adventures and troubles after Butcher ' s plummeting prices and spiralling drink problem force them to retreat to New South Wales. Here the formerly famous artist is reduced to being a caretaker for his biggest collector, as well as nurse to his erratic brother. Then the mysterious Marlene turns up in Manolo Blahniks one stormy night. Claiming that the brothers ' friend and neighbour owns an original Jacques Liebovitz, she soon sets in motion a chain of events that could be the making or ruin of them all. Displaying Carey ' s extraordinary flare for language, Theft is a love poem of a very different kind. Ranging from the rural wilds of Australia to Manhattan via Tokyo – and exploring themes of art, fraud, responsibility and redemption – this great novel will make you laugh out loud.

The two-time Booker Prize winner now gives us an exceedingly timely, exhilarating novel—at once dark, suspenseful, and seriously funny—that journeys to the place where the cyber underworld collides with international power politics. When Gaby Baillieux releases the Angel Worm into Australia ' s prison computer system, hundreds of asylum-seekers walk free. And because the Americans run the prisons (let ' s be honest: as they do in so many parts of her country) the doors of some five thousand jails in the United States also open.

Is this a mistake, or a declaration of cyber war? And does it have anything to do with the largely forgotten Battle of Brisbane between American and Australian forces in 1942? Or with the CIA-influenced coup in Australia in 1975? Felix Moore, known to himself as "our sole remaining left-wing journalist," is determined to write Gaby's biography in order to find the answers—to save her, his own career, and, perhaps, his country. But how to get Gaby—on the run, scared, confused, and angry—to cooperate? Bringing together the world of hackers and radicals with the "special relationship" between the United States and Australia, and Australia and the CIA, *Amnesia* is a novel that speaks powerfully about the often hidden past—but most urgently about the more and more hidden present.

"It's outrageous that an educated man and a gifted writer like Mr. Mathews could make such a public confession of such shameful activities." Q. Kuhlmann, author of *The Eye of Anguish: Subversive Activity in the German Democratic Republic*
