One City. One Movement. A World of Stories. Stories from Suffragette City is a collection of short stories that all take place on a single day: October 23, 1915. It's the day when tens of thousands of women marched up Fifth Avenue, demanding the right to vote in New York City. We see Alva Vanderbilt as her white-gloved sensibility is transformed over the course of the single fateful day. Ida B. Evelyn is seventeen, and though she is rich and clever, she may never be allowed to follow her older brother to university. Enraged that she is expected to marry her childhood sweetheart rather than be educated, she joins the Suffragettes, and vows to pay the ultimate price for women's freedom. May is fifteen, and already sworn to the cause, though she and her fellow Suffragists refuse violence. When she meets Nell, a girl who's grown up in hardship, she sees a kindred spirit. Together and in love, the two girls start to dream of a world where all kinds of women have their place. But the fight for freedom will challenge Evelyn, May and Nell more than they ever could believe. As war looms, just how much are they willing to sacrifice?

'An uplifting record of progress and strength... You'll lay the book down feeling not only informed, but galvanised to take action yourself.' Independent 'An incredible book . . . with the potential to change women's lives.' Sandi Toksvig Why is it taking so long? Despite huge progress since the suffragette campaigns and wave after wave of feminism, women are still fighting for equality. Why will we have to wait until 2069 for the gender pay gap to disappear in the UK? Why, in 2015, did 11% of women lose their jobs due to pregnancy discrimination? Why has 1 in 3 women in the world experienced physical or sexual violence? 'Engaging...part feminist history, part progress scoresheet and part family memoir.' Daily Telegraph In Deeds Not Words suffragette descendant and activist Helen Pankhurst charts the changes in the lives of women over the last 100 years. She celebrates landmark successes and little-known victories, looking at politics, money, identity, violence, culture and social norms and turning to the voices of both pioneers and ordinary women for their perspective. 'An exciting and engaging account of an essential part of British history.' Mary Evans, Emeritus Leverhulme Professor, London School of Economics Combining historical insight with inspiring argument, Deeds not Words reveals how far women have come, how far we still have to go, and how we might get there. It is essential reading for women - and men - on the most important issue of our time. 'Deeds Not Words is so timely. A valuable guide and reference.' Annie Lennox OBE
