Comes with access to 29 audio tracks and a half dozen instructional videos so you can read, hear, and see how to play the uke

This modern classic of golf instruction by renowned teacher Manuel de la Torre (the 1986 PGA Teacher of the Year and the #11 teacher in America as ranked by the editors of Golf Digest in 2007) presents a simpler approach to the golf swing based on Ernest Jones ' s principles. Understanding the Golf Swing includes information on the philosophy of the golf swing (with emphasis on the development of a true swinging motion), the most thorough analysis of ball flights available, and analysis of the principles of special shot play (including sand play, pitching, chipping, putting, and playing unusual shots) and the mental side of golf and effective course management. The final chapter offers an organized approach to understanding golf courses and playing conditions. The result is a blend of philosophy and practical advice found in few golf instructional books.

"You can be lonely anywhere, but there is a particular flavor to the loneliness that comes from living in a city, surrounded by thousands of strangers. The Lonely City is a roving cultural history of urban loneliness, centered on the ultimate city: Manhattan, that teeming island of gneiss, concrete, and glass. What does it mean to be lonely? How do we live, if we're not intimately involved with another human being? How do we connect with other people, particularly if our sexuality or physical body is considered deviant or damaged? Does technology draw us closer together or trap us behind screens? Olivia Laing explores these questions by travelling deep into the work and lives of some of the century's most original artists, among them Andy Warhol, David Wojnarowicz, Edward Hopper, Henry Darger and Klaus Nomi. Part memoir, part biography, part dazzling work of cultural criticism, The Lonely City is not just a map, but a celebration of the state of loneliness. It's a voyage out to a strange and sometimes lovely island, adrift from the larger continent of human experience, but visited by many - millions, say - of souls!--

The depth of Wishon's knowledge and experience in clubfitting technology and golf club performance is available to all clubmakers in this book. Common Sense Clubfitting teaches clubmakers what golf club specifications to focus on, which to ignore, and exactly how to achieve the greatest level of visible shotmaking improvement for all golfers' distance, accuracy, consistency, shot trajectory and club feel for all the clubs in the bag. This book will end the confusion suffered by many clubmakers who are unsure which fitting decisions will result in the most tangible game improvement for golfers.

Whether you're planning a lavish party or just indulging in a nightcap, The Classic Cocktail Bible gives you a range of inspirations to create the exotic and the timeless. Cocktails are soaring in popularity as the nation's tastes grow more sophisticated and people are thirsty for new flavours and experiences. Beautifully illustrated with mouth-watering full colour photography, the book includes long and short drinks, still and sparkling, fruity and refreshing as well as creamy and indulgent - you'll never tire of trying the new concoctions.Includes 200 recipes with age-old classics such as the daiquiri, dry martini, margarita and Long Island ice tea. Each spirit is thoroughly explained to give you advice on selecting what to buy and perfecting its accompaniments. There's also a selection of fantastic insider tips, a full glossary of terms and step-by-step guides to mastering different techniquesA history of the evolution and culture of cocktails immerses you in a more glamorous era and The Classic Cocktail Bible allows you to taste it for yourself.

Ernest Jones, one of the greatest teachers in golf history, presents his simple yet effective method for improving your swing. With easy to follow exercises, helpful illustrations, and his own proven techniques, Jones will help you swing your way to a lower score in no time.

This old adage is familiar to all golfers but is especially resonant with Dr. Bob Rotella, the bestselling author of Golf Is Not a Game of Perfect and one of the foremost golf authorities today. In Putting Out of Your Mind, Rotella offers entertaining and instructive insight into the key element of a winning game—great putting. He here reveals the unique mental approach that great putting requires and helps golfers of all levels master this essential skill. Much like Golf Is Not a Game of Perfect and Golf Is a Game of Confidence, Putting Out of Your Mind is an informative and valuable guide to achieving a better golf game. While most golfers spend their time trying to perfect their swing so they can drive the ball farther, Rotella encourages them to concentrate on their putting—the most crucial yet often overlooked aspect of the game. Great players are not only aware of the importance of putting, they go out of their way to master it, and mastery can only begin with the understanding of the attitude needed to be a better putter. Rotella's mental rules have helped some of the greatest golfers in the world become champion putters and, for the first time, are now available to golfers everywhere. With everything from true-to-life stories of such greats as Davis Love III, David Duval, and Brad Faxon to dozens of game-changing practice drills, Putting Out of Your Mind is the new bible of putting for amateurs and pros alike.

Do you suck at golf? Do you know someone who does? While written in a tongue-in-cheek style, Why You Suck at Golf is an informative and education manual chronicling the most common mistakes golfers make when playing this wondrous game. From arriving too late for your tee time, to trying to keep your head too still, if there is a common, easily correctible mistake a golfer makes it is in this book. 52 chapters in all, each discussing a mistake and how to correct it. So whether you want to have a little dig at the golfaholic among your friends or family, or serious about eradicating shot-costing mistakes in your game, "Why You Suck at Golf" is a must read. Written by Teaching Professional Clive Scarff, author of the #1 ranked "Hit Down Dammit " golf instruction book, also available on Amazon.
