Department for International Trade -  
GOV.UK

Although international trade and

# Online Library Trade Investment And

Development are often thought of as two sides of the same coin, the relationship is complex and has evolved over time. Global value chains (GVCs), for example, have sharpened the interdependencies between trade and foreign direct investment (FDI), as companies combine trade with

# Online Library Trade Investment And

investment to organise the supply of inputs, to expand in new markets, to access knowledge, and to provide services to consumers.
