By reformulating immigrant rights movements within a transnational analysis of capitalism, labour exploitation, settler colonialism, state building, and racialized empire, it provides the alternative conceptual frameworks of border imperialism and decolonisation.

Undoing Border Imperialism (Anarchist Interventions ...

Undoing Border Imperialism lays out a compelling definition of the concept of border imperialism, and then takes readers through concrete experiences of how it can be challenged and dismantled. "Border imperialism is a useful analytic framework for organizing migrant justice movements in North America.

Undoing Border Imperialism by Harsha Walia

It is worth noting that Undoing Border Imperialism is itself a model for this kind of disruption; while Harsha Walia's name graces the cover, I would describe her labor in relationship to the book as one of a curator that carefully creates space for many different voices in the service of a larger vision. The book's polyvocality comes through in the art, poetry, and personal narratives of many social justice organizers integrated throughout that enhance the analysis of the text.

Undoing Border Imperialism by Harsha Walia - YouTube

Undoing Border Imperialism is focused on the experiences of those who are displaced because they are impoverished by the expansion of neoliberal capitalism, by wars and invasions, and because of the climate crisis. This displacement can result in people and groups crossing state borders, but it does not need to in order for it to fit within the category of border imperialism.

Book Review: Undoing Border Imperialism - Upside Down World

"Harsha Walia has played a central role in building some of North America's most innovative, diverse, and effective new movements. That
